

# VCUT GRILLES

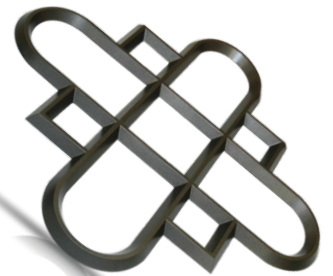

VCUT is a process developed by Creative Millwork that allows us to fabricate all joints within each grille pattern with precise sharp cornering. This leading edge, exclusive Creative Millwork technology delivers on exacting grille specifications across the building industry.

## VCUT DECORATIVE GRILLES

The ideal non-rectangular grille patterns for any architectural rendering or design you can imagine!

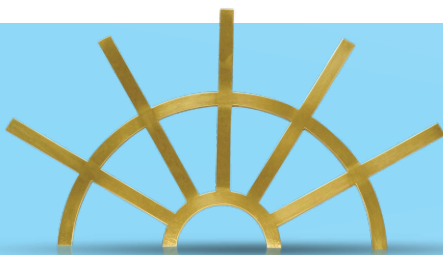

## VCUT CUSTOM PROFILES & COPED ENDWORKS

Look to Creative Millwork for the very best in quality, style, design and service. We offer the most comprehensive range when choosing profiles, colors, finishes, patterns including technical R&D and design assistance.

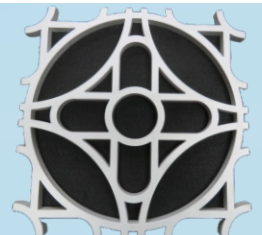

## VCUT DECORATIVE INFILLS

Instantly change the look and feel of your visible glass. Creative Millwork custom infills can be integrated with S.D.L. grilles for a truly high end design.
